March & April 2017 Newsletter

Dear SVP Families,

Spring is in the air! Well...at least it was...until Saturday that is, but we know it will be back soon! Warm temperatures mean more outdoor fun for us at SVP, but we certainly do have a lot of exciting things coming up in the classrooms as well!

Art (Around the World) Appreciation in March! This month, as a whole school, we are really looking forward to exploring art from all around the world. Each class will be experimenting with new and varied art techniques and designs inspired by different cultures. We will be displaying our works of art around the school throughout the month of March, so keep an eye out for our globally inspired masterpieces! Do you have an art talent that you would like to share with us? Just let us know!

Community Helper Days in April and May: During the months of April and May, we will be celebrating and learning about all types of “community helpers”. Who are the people in our neighborhood who work so hard to keep us safe, happy, healthy and comfortable? Police officers, firefighters, nurses, doctors, postal workers, librarians, florists, farmers, restaurant workers, hairdressers, construction workers, bankers, you name it! We are working hard to find some volunteers who might be willing to come in to teach us all about their jobs and how they are so important to our community. If you have a job that might be easily understood by our preschoolers, we would love it if you would consider coming in for a visit. Give it some thought and let us know!

Class Availability at SVP: We wanted to let you know that we do have a few openings in a couple of classes for the 2017-2018 school year. Please let us know if you are interested in another class or if you know someone who might be interested. Thank you for helping us to spread the word!

Has your child had a physical lately? Please remember that, if your child has recently had a physical, or will have a physical in the next 3 months, we **MUST** have an updated copy for our records.

Important Dates in March and April:

March 14th and 15th: Music with Miss Shannon
March 16th and 17th: Green Days at SVP
