## April and May 2019 Newsletter

Dear SVP Families,

**Spring is in the air!** Warm temperatures will mean more outdoor fun for us at SVP, but we certainly do have a lot of exciting things coming up in the classrooms as well. Please make note of the upcoming events, and business notes at SVP, and be sure to pay close attention to the school calendar dates at the end of the newsletter. Please let us know if you have any questions at all.

### A Few Small Notes...

**Tuition Due:** The final payment for families on the five payment plan, is due at this time. Please see Laura Eppen if you have any questions regarding your final tuition payment. Thank you!

**Medical Physicals:** Has your child had a physical in the last few months, or since September? If so, please bring us a copy of the updated physical report as soon as possible. We are required by the Department of Early Education and Care to have current physicals (within one year), on file for each student. We thank you for your assistance with this important part of our children's records.

**Food Pantry:** As you know, we are collecting items for the local Food Pantry. For the months of April and May, they are in need of **toilet paper and children's snacks.** Thank you!

**Parking:** Please pull all the way up the fence if you are dropping off or picking up in our parking lot. This allows a second car to pull in behind you, so as to maximize the use of the parking lot for families. We recognize that you might be concerned about being blocked in by a car if you pull up, so we do ask that if people are planning to stay for longer than just a few moments, please park on the street. If you are parked behind someone in the parking lot, please take care to return to your car quickly. This method really does enable more families to use our parking lot, quickly and safely.

**Art Appreciation at SVP:** We are continuing to enjoy our Art Appreciation unit and look forward to one more week of artist and technique exploration. The classes have had so much fun learning about famous artists such as Michelangelo, Van Gogh, Monet, Kandinsky, Picasso and more. We hope you are enjoying your child's growing art gallery as well!

**SVP Family Teas:** We are already starting to think about our annual Family Teas, which will be held at the end of the school year, on May 30<sup>th</sup> and 31<sup>st</sup>. The Family Teas are really a lot of fun for us, and we know you will enjoy them as well. It is very important that each child has at least one family member available to attend his/her Family Tea. **Please see the schedule below, and make note of the day and time for your child's Family Tea.** More information will follow soon.
