**To register your child for the 2021-2022 school year, you will need the following materials:**

1. **A completed application**, consisting of a **Class Request Form** and a **Child Enrollment Form** (in the application packet). We make every effort to give you your first class choice, but in order to be assured a spot, it is wise to mark a second, or even a third class choice.
2. A **non-refundable application fee of \$100**.
3. A **deposit equal to 10% of the tuition**. Upon acceptance of a placement, this deposit becomes **non-refundable**.

**Important Note:** We will notify you with a Class Placement Letter, as to which class your child has been placed in for the 2021-2022 school year. Please read, sign and return this letter by the date indicated on it. By this date, if you choose **not to accept** this placement, we will refund the 10% deposit to you (application fee is non-refundable). Should you **choose to accept** this placement, the **10% deposit will be applied towards your tuition for the 2021-2022 school year and your deposit will then become non-refundable**.
